

The Joy School Visual Content Creator

WHAT YOU OFFER US

Creativity, curiosity, intentionality, flexibility, a sense of humor, marketing experience, a photojournalistic lens, high energy, innovation and social media expertise

WHAT WE OFFER YOU

- A promise to treat you like the professional you are
- Competitive salary and benefits
- Supportive and collaborative peers
- A fun and joyful work environment
- Personalized professional development
- Fancy smelling soap
- Free coffee, soda, tea, and nugget ice
- Freedom to wear jeans any day of the week
- A beautiful campus in the Museum District of Houston

A DAY IN THE LIFE

- Immerse yourself in the culture of the School in order to create compelling images that connect with and move audiences
- Build an extensive library of high-quality visual content for use across multiple digital and print platforms
- Be the primary in-house photographer and videographer for all events, big and small
- Observe TJS faculty in action through a journalistic lens in order to capture the magic that happens on campus every day
- Experience the JOY of hanging out with kids and capturing their youthful energy and spirit
- Capture the unique culture and brand of TJS and ensure that all digital and print publications highlight that same spirit, voice, and image
- Collaborate across departments to brainstorm, create, edit, and publish engaging content for both specific and general audiences
- Partner with the Storyteller/Writer to bring narratives to life through photos and videos
- Engage in the continuous pursuit of lifelong personal and professional development and reflection alongside a team of others doing the same

HIRING PROCESS

- Email resume and cover letter to Executive Assistant, Tami Bond
- Participate in video interview
- Submit portfolio
- Advance to live interview/visit day
- Accept the best and most challenging job of your career
